***Permission To Proceed With Application: To Be Read and Signed By Applicant***

I authorize you to make such investigations and inquiries of my personal, employment, financial or medical history and other related matters as may be necessary in arriving at an employment decision. (Generally inquiries regarding medical history will be made only if and after a conditional offer of employment has been extended.) I hereby release employers, schools, health care providers and other persons from all liability in responding to inquiries and releasing information in connection with my application.

In the event of employment, I understand that false or misleading information given in my application or interviews may result in discharge. I understand, also, that I am required to abide by all rules and regulations of the Company.

I understand that information I provide regarding current and/or previous employers may be used, and those employers will be contacted, for the purpose of investigating my safety performance history as required by 49 CFR 391.23 (d) and (e). I understand that I have the right to:

- Review information provided by the previous employers;
- Have errors in the information corrected by previous employers and for those previous employers to re-send the corrected information to the prospective employer; and

Specifically, I authorize you to access the **FMCSA Pre-Employment Screening Program (PSP)** system to seek information regarding my commercial driving safety record and information regarding my safety inspection history (specific form detailing my permission follows).

Specifically, I authorize you to access state and/or federal systems to seek information regarding my **Motor Vehicle Records (MVR)** history.

Specifically, I share with you the **Medical Examination Report for Commercial Driver Fitness Determination** (the long-form).

Specifically, I authorize you to perform a **Safety Performance History Records Request** with any former employer listed in this document.

***Notice Regarding Background Reports***

1. In connection with your application for employment with **Barrett Farms Express Inc** (“Prospective Employer”), Prospective Employer, its employees, agents or contractors may obtain one or more reports regarding your driving, and safety inspection history from the Federal Motor Carrier Safety Administration (FMCSA).

When the application for employment is submitted in person, if the Prospective Employer uses any information it obtains from FMCSA in a decision to not hire you or to make any other adverse employment decision regarding you, the Prospective Employer will provide you with a copy of the report upon which its decision was based and a written summary of your rights under the Fair Credit Reporting Act before taking any final adverse action. If any final adverse action is taken against you based upon your driving history or safety report, the Prospective Employer will notify you that the action has been taken and that the action was based in part or in whole on this report.

When the application for employment is submitted by mail, telephone, computer, or other similar means, if the Prospective Employer uses any information it obtains from FMCSA in a decision to not hire you or to make any other adverse employment decision regarding you, the Prospective Employer must provide you within three business days of taking adverse action oral, written or electronic notification: that adverse action has been taken based in whole or in part on information obtained from FMCSA; the name, address, and the toll free telephone number of FMCSA; that the FMCSA did not make the decision to take the adverse action and is unable to provide you the specific reasons why the adverse action was taken; and that you may, upon providing proper identification, request a free copy of the report and may dispute with the FMCSA the accuracy or completeness of any information or report. If you request a copy of a driver record from the Prospective Employer who procured the report, then, within 3 business days of receiving your request, together with proper identification, the Prospective Employer must send or provide to you a copy of your report and a summary of your rights under the Fair Credit Reporting Act.

Neither the Prospective Employer nor the FMCSA contractor supplying the crash and safety information has the capability to correct any safety data that appears to be incorrect. You may challenge the accuracy of the data by submitting a request to <https://dataqs.fmcsa.dot.gov>. If you challenge crash or inspection information reported by a State, FMCSA cannot change or correct this data. Your request will be forwarded by the DataQs system to the appropriate State for adjudication.

Any crash or inspection in which you were involved will display on your PSP report. Since the PSP report does not report, or assign, or imply fault, it will include all Commercial Motor Vehicle (CMV) crashes where you were a driver or co-driver and where those crashes were reported to FMCSA, regardless of fault. Similarly, all inspections, with or without violations, appear on the PSP report. State citations associated with Federal Motor Carrier Safety Regulations (FMCSR) violations that have been adjudicated by a court of law will also appear, and remain, on a PSP report.

The Prospective Employer cannot obtain background reports from FMCSA without your authorization. If you agree that the Prospective Employer may obtain such background reports, please read the following and sign below:

**2. I authorize Barrett Farms Express Inc (“Prospective Employer”) to access the FMCSA Pre-Employment Screening Program (PSP) system to seek information regarding my commercial driving safety record and information regarding my safety inspection history. I understand that I am authorizing the release of safety performance information including crash data from the previous five (5) years and inspection history from the previous three (3) years. I understand and acknowledge that this release of information may assist the Prospective Employer to make a determination regarding my suitability as an employee.**

3. I further understand that neither the Prospective Employer nor the FMCSA contractor supplying the crash and safety information has the capability to correct any safety data that appears to be incorrect. I understand I may challenge the accuracy of the data by submitting a request to <https://dataqs.fmcsa.dot.gov>. If I challenge crash or inspection information reported by a State, FMCSA cannot change or correct this data. I understand my request will be forwarded by the DataQs system to the appropriate State for adjudication.

4. I understand that any crash or inspection in which I was involved will display on my PSP report. Since the PSP report does not report, or assign, or imply fault, I acknowledge it will include all CMV crashes where I was a driver or co-driver and where those crashes were reported to FMCSA, regardless of fault. Similarly, I understand all inspections, with or without violations, will appear on my PSP report, and State citations associated with FMCSR violations that have been adjudicated by a court of law will also appear, and remain, on my PSP report.

I have read the above Disclosure Regarding Background Reports provided to me by Prospective Employer and I understand that if I sign this Disclosure and Authorization, Prospective Employer may obtain a report of my crash and inspection history. I hereby authorize Prospective Employer and its employees, authorized agents, and/or affiliates to obtain the information authorized above.

**Certification of Compliance with Driver License Requirements**

**Motor Carrier Instructions:** The requirements in Part 383 apply to every driver who operates in intrastate, interstate, or foreign commerce and operates a vehicle weighing 26,001 pounds or more, can transport more than 15 people, or transports hazardous materials that require placarding. The requirements in Part 391 apply to every driver who operates in interstate commerce and operates a vehicle weighing 10,001 pounds or more, can transport more than 15 people, or transports hazardous materials that require placarding.

**Driver Requirements:** Parts 383 and 391 of the Federal Motor Carrier Safety Regulations contain some requirements that you as a driver must comply with. These requirements are in effect as of July 1, 1987. They are as follows: You, as a commercial vehicle driver, may not possess more than one license. The only exception is if a state requires you to have more than one license. This exception is allowed until January 1, 1990. If you currently have more than one license, you should keep the license from your state of residence, and return the additional licenses to the states that issued them. Destroying a license does not close the record in the state that issued it: you must notify the state. If a multiple license has been lost, stolen, or destroyed, you should close your record by notifying the state of issuance that you no longer want to be licensed by that state. Sections 392.42 and 383.33 of the Federal Motor Carrier Safety Regulations require that you notify your employer the NEXT BUSINESS DAY of any revocation or suspension of your driver’s license. In addition, Section 383.31 requires that any time you violate a state or local traffic law (other than parking), you must report it to your employing motor carrier and the state that issued your license within 30 days.

**Driver Certification:** *I certify that I have read and understand the above requirements.*

The following license is the only one I will possess:

Hours for any work during the preceding 7 days, including any compensated work for a non-motor carrier, must be recorded on this form.

The definition of on-duty time found in Section 395.2 paragraphs (8) and (9) of the Federal Motor Carrier Safety Regulations includes time performing any other work in the capacity of, or in the employ or service of, a common, contract or private motor carrier, and performing any compensated work for any non-motor carrier entity.

Are you currently working for another employer?  Yes  No

At this time, do you intend to work for another employer while still employed by this company?  Yes  No
